## PRESENTATION OUTCOME

The workshop provides lectures and students with an understanding on creating an impact and producing high quality of outcomes especially in terms of high impact journal and PhD thesis. This program also integrates the discussion on areas of recent research issues.

## TRAINING OUTCOME

This training covers lectures and discussion. This training format will help the participant exposed to the high impact journal with professionals' guidance. There is an additional feature of this program which is writing and editing services

Exposing research culture to the researchers and post-graduate students

Increasing the quality and quantity of research outcomes for ARI fellows and associates

## OBJECTIVE

## TRAINERS INVOLVE

Professor Dr Normah Omar is Professor of Accounting and Director of the Accounting Research Institute (ARI). She leads research in Forensic Accounting at the institute and is Chair of the Asia Pacific Management Malaysian Accounting Review (MAR). Her publications can be found in the International Journal of Public Sector Management, International Journal of Economics and Management, Managerial Auditing Journal and Journal of Financial Crime. Professor Normah was the recipient of the UITM Best Researcher Award for two consecutive years as well as the UITM Best Academic Award. She has led ARI in winning numerous national and international accolades over several years and was the recipient of the ACQ Global Award and Global Islamic Finance Award in 2015

## INTERNATIONAL TRAINER

Dr. Effiezal Aswadi Abdul Wahab is a lecturer at Curtin Business School, School of Accounting, and Perth, Australia. His research interest includes Political Connection, Auditor Independence, Related Party Transaction and Analysts Forecast. Dr Effiezal's areas of expertise are Auditing, Corporate Governance and Political Connection.

Dr Effiezal has published his research in several SCOPUS-indexed Q1 journals including the Accounting Research Journal, the Journal of Contemporary Accounting and Economics, the Asian Academy of Management, the Journal of Accounting and Finance, and the Managerial Accounting Journal.

Associate Professor Dr Ramesh Nair is a research fellow at the Accounting Research Institute. He manages the institute's Academic Communication Unit that supports researchers and postgraduate students to enhance their communication skills, particularly in research writing. He currently works on cross-disciplinary research that draws on Applied Linguistics to examine language use in financial reports. His past publications can be found in English Today, Kajian Malaysia, and The English Teacher. Ramesh speaks regularly on research writing at seminars and workshops organized by UITM's Institute of Graduate Studies and Institute of Leadership and Development.

Will also be assisted by facilitators who publish in reputable, high-impact journal.
