Submission

All paper submissions for the APMAA 2019 should be submitted from the paper submission page (<http://apmaa2019.000webhostapp.com/#/submission>). The submission page will be available from February 1st, 2019.

Guide for authors

1. All manuscripts should be written in Times New Roman font with font size 12, single-spaced with an abstract of 200-300 words. Include up to 5 keywords. The abstract should be on a separate page immediately preceding the text.
2. Manuscripts should be as concise as the subject and research method permitted. The length of text should be over 5,000 but not exceed 10,000 words.
3. All papers will be double-blind reviewed. To promote anonymous review, authors should not identify themselves directly or indirectly in their paper. Single authors should not use the pronoun “we”. Referencing should follow the APA style (<http://www.apastyle.org>).
4. The cover page should contain the title of the paper (all bold capitals), the author’s name (first name, initial (s), and family name), title and affiliation, fax and phone numbers, and email address.
5. Please indicate clearly the corresponding author.

Notifications

1. All submitted articles should report original, previously unpublished research results, experimental or theoretical.
2. The final papers must be submitted before the deadline and the version of your submission must be in the requested format.
3. The official language is English in both writing and presentation.
4. At least one of the authors should register (pay the participation fee) for the conference before **September 15th, 2019**, and attend as well as present the paper in the conference.
