2. Message from the 2014 APMAA President

To many western people, Thailand is a mysterious kingdom, featuring not only Buddhist temples and exotic wildlife, but also spectacular scenery. Along with a fascinating history, a rich culture, excellent infrastructure and friendly people, Thailand has attracted many tourists and international corporations from all over the world.

We couldn't hold our annual conference of 2008 in Bangkok due to instability in Thailand at that time. What a pity for many of us. But this year we are very lucky that our old dream of meeting in Bangkok can be expected and realized. On behalf of APMAA, I would like to express my sincere appreciation to Professor Kanibhatti Nitirojntanad and her colleagues at Chulalongkorn University for organizing for us a fantastic and inspiring conference which is easily foreseeable.

Chulalongkorn University is the oldest and the most prestigious university in Thailand. The University has established its worldwide reputation in academic research and higher education. The APMAA is very honored to cooperate with Chulalongkorn University to hold our 10th annual conference in Bangkok. We can expect that there will be many prominent and influential researchers and educators from Thailand to attend the APMAA annual conference.

Thailand has played a very important role globally in certain manufacturing sectors and the tourism industry. The Organizing Committee of the conference will help us invite several successful entrepreneurs and professionals to the conference to share with us their valuable experience and management expertise.

This conference provides a very good opportunity for our members to interact face-to-face with experts from not only all over the world but also locally. So, no matter how busy you are, please spare your time in late October to join our 10th conference in Bangkok. Make your registration to the conference soon if you have not yet done so. In addition, please help us invite your colleagues and friends to register. Let's join together and have a good time in the "land of smiles".

A Brief Message from Grahita Chandrarin and Sekar Mayangsari

APMAA 2015 will be hosted by several Indonesian universities, with the following main hosts: University of Merdeka Malang, Trisakti University (Jakarta), Udayana University (Bali), Warmadewa University (Bali), Mercubuana University (Jakarta), and Hasanuddin University (Makassar).

In this conference, we propose to discuss how management accounting can drive sustainable development. In another part, the location of conference will be in Bali, we choose Bali because of its beautiful natural scenery. It is famous for its unique culture and customs that cannot be found in other tourist destinations. Bali has been chosen as a place to conduct many international events, such as APEC and the Asian Academic Accounting Association Conference.

We welcome paper submissions in any areas of accounting, especially management accounting. Let us discuss management accounting issues for better future while enjoying the beauty of Bali Island. To all 2015 APMAA participants from all around the world, we are looking forward to warmly welcoming you on Bali Island, Indonesia, on **October 26th – 29th, 2015**.

5. THE APMAA 2016 Annual Conference in Taiwan

APMAA 2016 Annual Conference

October 5 – 8, 2016.

Theme: Contemporary Issues in Management Accounting

Venue: National Taipei University, Taiwan

Message from the 2016 Annual Conference Organizing Committee

The Department of Accountancy of National Taipei University is honored to be the host of the 2016 APMAA Ph.D. Colloquium and Annual Conference. We know that the Asia Pacific

Management Accounting Association is a leading academic and professional organization in management accounting. Among its members, there are many prominent researchers, outstanding educators and world-class professionals in accounting in general and management accounting in particular. Over the years the APMAA has provided a wonderful platform for people of the same interest to exchange ideas and to network with each other.

As a growing educational institution we are very proud of being given the opportunity to host the 2016 conference for each of you. Definitely the National Taipei University is committed to accept the challenge and would like to welcome you to join us in Taipei in 2016. Your active participation and enthusiastic involvement will give us energy and confidence to serve you better.

We do feel very sorry that most of our colleagues and students have to stay in Taiwan and cannot join this year's annual conference of APMAA in Bangkok because on October 26-29 we are going to host the 26th Asian-Pacific Conference on International Accounting Issues in Taipei, Taiwan. Nevertheless we will send Professor Ching-Hsi Yang to Bangkok to show our sincere welcome and make a cordial invitation to you. The latter mentioned conference is an event co-sponsored by the Taiwan Accounting Association and the Craig School of Business of the California State University at Fresno. We hope that the experience we learn and gain in this year's conference can be used to successfully host the 2016 APMAA conference.

Of course we have observed the success of the previous years' APMAA conferences and will learn from the valuable experience in Thailand this year and in Indonesia next year. In the 2016 conference we will try to not only keep the excellent APMAA tradition but also add in some local flavor. Even if you attended the 2010 APMAA conference in Taipei, we assure you that we have much more to offer in 2016. So please don't forget to mark your calendar and come to join the APMAA annual conference in Taipei on October 5th -8th, 2016.
