Dr Yuliansyah is a Senior Lecturer in the Accounting Department at the Faculty of Economics and Business, University of Lampung, Indonesia. He earned a PhD Degree in Management Accounting from the University of South, Australia. During his research activities, he did several research projects using NVivo. As a lecturer, he teaches research methodology to postgraduates students. He offers training and consultancy services in research design and analysis in qualitative study using NVivo. Board Committee of Asia Pacific of Management Accounting Association, International Consultant for Qualitative Study (NVivo Program), Quality Assurance Team of Forensic Auditors Professional Certification Agency. He has published and presented his research work in various journals locally and internationally.

Introduction

Qualitative research methodology design is pervasive in research. This workshop does not constitute collecting and describing data, like many workshop imply. This workshop design is a highly intricate technique, learnt / mastered through practice with skilled scientists. This fundamental workshop focusing on theory / practice jurisdiction, minimal theory with conceptualizing, designing and applying method. More so, participants will master qualitative writing, to prepare for high impact journal submission. Aspects to be emphasized by Dr. Yuliansyah was the fundamental practical design with high-impact writing thesis using NVivo. Some tips through experience on writing a thesis from various country will be highlighted.
